WINNING GUN EVO Wii ATOMIC

WINNING GUN EVO Wii ATOMIC

Modular Gun compatible with Wii™ console, with an exclusive design and care for details. Fully compatible with Wii™ Motion Plus.

The Winning Gun EVO fulfills any demands of shooter game players fitting the Wii Remote with MotionPlus and the Nunchuk.

The main trigger plays the B button and the second trigger plays the A button on Wii Remote; all the other Wii Remote's buttons and all the Nunchuck's buttons are accessible without any interfering with the infrared Wii Remote communication.

HOT! The rumble feature improves the gaming experience and gives you the feeling of the shot. This feature can be activate just using two AAA batteries*.

Available in white with light blue parts.

*batteries not included.
