TVR SPORT RACING EVO STEERING WHEEL ATOMIC

TVR SPORT RACING EVO STEERING WHEEL ATOMIC

Official, branded TVR steering wheel, now compatible also with the Playstation®3 console along with the traditional compatibility with Playstation®2, Playstation®, PSone™ and Windows® ME/2000/XP/Vista/7 PCs. Also compatible with standard Dualshock®/Dualshock®2. USB™ plug. Compatible with standard USB™ 2.0. Enhanced driver for an optimal compatibility with DirectX®.

NEW FEATURE: 3 Levels of adjustable steering sensitivity: normal, fast and F1.

NEW FEATURE: like all latest Atomic wheels, the MPA.1 features the innovative TCST™ Traction Control System, allowing to use gas and brake simultaneously. The wheel is able to evaluate and adjust their intensity to allow better grip on track.

Independent analog accelerator and brake foot pedals. 180° of wheel rotation. Vibration function adjustable in intensity, and simulated vibration also on Playstation®3.

User manual with drivers supplied on mini CD.

Available colour: black.
