SUITE³ DSi WHITE ATOMIC

SUITE³ DSi WHITE ATOMIC

Designed practical and compact, SUITE³ DSi ATOMIC raises to the third power your fun with the new Nintendo DSi™ console, offering: CHARGING, STAND and STORAGE features.

1) CHARGE while playing:

- The only stand in the market allowing to play while charging the console.
- USB cable included to charge the console from any USB source (PC, Wii™, USB car charger...)

2) adjustable STAND: best comfort to use the console as multimedia stand and finally no more sweaty hands when playing sitting at your desktop. The stand is adjustable in 3 different positions for optimal use in any situation.

3) STORAGE: 2 slots for game cartridges and 1 slot for an SD card.

Careful to details:

- Blue front LED light
- Nonslip base

Technical Specs:

- Output Voltage (based on original Nintendo DSi™ adaptor) □: 4.6 V at operating Current ≤ 900 mA
- Charging time - (based on original Nintendo DSi™ rechargeable battery) □: 2 - 3 hours
- Lifetime after full charge: 3 – 14 hours (depending on screen brightness)
- Weight: 122 grams

Available in colours: white and black.
