## MINI UTILITY PACK DSi XL ATOMIC

### MINI UTILITY PACK DSi XL ATOMIC

Set of basic accessories conceived exclusively for the new Nintendo Dsi™ XL console.

The packaging features:

- 2 XL upper screen protector films;
- 4 XL touch screen protector films;
- 1 Soft Card to easily apply and remove the films;
- 1 standard stylus;
- 1 decorated, real size XL stylus

All the accessories in this bundle have been studied in order to help the players in their basic needs.

#### PROTECTOR FILMS:

Made in high-tech materials to preserve the touch screen sensitivity and to protect the console's screens against scratches and external agents. Easy to install and to remove.

#### PENS:

Made thinking of the features of the original ones to be fully compatible with the Nintendo Dsi™ XL console. The standard stylus perfectly fits its hole in the console, and the XL real size stylus allows playing comfortably. They are made in a suitable plastic material in order to avoid scratches on the screen.
